

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF OHIO
WESTERN DIVISION

ANN MCCRACKEN,

Plaintiff,

Case No. 11 dp 20485

-vs-

O R D E R

DEPUY ORTHOPAEDICS, INC., et al.,

Defendants.

KATZ, J.

This case was originally scheduled for trial on September 9, 2013 in Cleveland, Ohio. The Court continued that trial until September 24, 2013. After conferring at length with the trial attorneys handling this matter, the Court has determined that because of the initial continuance of this trial as aforesaid the scheduling of expert witnesses by both parties has become an extremely difficult task. Additionally, issues remain with regard to scheduling of additional depositions and pretrial discovery which are necessary for the thorough preparation and presentation of this bellwether case.

In the interests of justice, judicial economy and to protect the interests of the parties in this case, the adjourned trial date of September 24, 2013 is set aside and continued to the call of the Court, trial to be set to commence within ninety (90) days.

IT IS SO ORDERED.
