CHARLESTON DIVISION**

**IN RE: C. R. BARD, INC., PELVIC  
REPAIR SYSTEM PRODUCTS  
LIABILITY LITIGATION**

**MDL NO. 2187**

**THIS DOCUMENT RELATES TO:**

---

**Wave 1 and Wave 2 Cases Subject to  
Pretrial Order No. 118**

**[Civil action numbers are listed  
on Exhibit A]**

---

**JOINT SUBMISSION CONCERNING PROPOSED REMAND JURISDICTIONS**

Pursuant to Paragraph 26 of Pretrial Order No. 118 [DE 841], Plaintiffs and Defendant C. R. Bard, Inc. (“Bard”) hereby jointly provide the attached Exhibit A, which identifies each Plaintiff’s proposed remand jurisdiction. Subject to the reservations below, Bard at this time does not object to the remand jurisdiction proposed by any Plaintiff in the Wave 1 and Wave 2 cases that remain pending.

Exhibit A was prepared by Bard based, in large part, on the proposed remand jurisdiction identified in each Plaintiff’s Short Form Complaint and/or subsequent communications with counsel for certain Plaintiffs. The form and content of Exhibit A were approved by Plaintiffs’ liaison counsel. Plaintiffs’ liaison counsel, however, neither endorses nor rejects the proposed remand jurisdiction in any given case, and the attorney representing each individual Plaintiff bears sole responsibility for the proposed remand jurisdiction identified in that Plaintiff’s Short Form Complaint.

Bard’s stance towards the venue proposed by Plaintiffs is based on currently-available information that was provided, in large part, by Plaintiffs or their attorneys. Bard thus reserves the right to object to venue at a later time based on subsequently discovered information

concerning a Plaintiff's residence state or implant state, particularly if such information is materially different from the information provided to Bard to date.<sup>1</sup>
