I
STATUS OF SETTLEMENTS

The parties are pleased to report that settlement agreements have been reached in seventy-two passenger personal injury claims. These settlements include settlements with twenty-six plaintiffs who have lawsuits pending in this Court. The forms of the releases have been approved by the attorneys for the settling parties and the releases are in the process of being signed. Once the releases are signed and all other prerequisites of settlement are concluded, including, but not limited to, obtaining Court orders approving the settlements of the minors, and the settlement funds are paid, the parties will file stipulations of dismissal requesting dismissal of the claims of the settling parties.¹ Attached as Exhibit “A” is a list of the plaintiffs whose claims will be settled.

II
MINORS’ SETTLEMENTS

Fourteen of the twenty-six plaintiffs with whom settlement agreements have been reached and who have lawsuits pending in this Court are minors. Court orders approving the settlements will be required for the settlements of the minors’ claims. The parties are proposing that stream-line procedures be established by the Court pursuant to which court approvals may be expeditiously obtained for the minors’ settlements. The parties request a conference call at a convenient date and time for the Court. The parties are available on any date in March 2015, except for the following dates: March 6, 9, 10, 13 and 26, 2015.

¹ These settlements will not necessarily result in the dismissal of all twenty-six lawsuits (or Notices of Adoption) as some of the settling plaintiffs filed actions (or Notices of Adoption) with plaintiffs who have not settled and whose claims will remain pending.

Among the procedures that the parties will be proposing are:

- That the petitions for approval of minors’ compromises of claims be filed under seal, or, alternatively, that any public filings seeking court approval comply with Federal Rule of Civil Procedure 5.2 and that all information related to the amount of compensation be redacted.
- That the petitions be decided on the papers or, if hearings are held, that the minors and their parents and/or guardians be excused from appearing at hearings as a number of the minors and their parents reside out of state or out of the country. (Among the minors listed on Exhibit “A,” four reside outside of the state of California and four reside in China.)
- That the orders on the petitions be decided as expeditiously as possible so that the settlements of the claims may be concluded and the settled claims dismissed.
- That a process be established for obtaining court orders approving settlements of minors who have not yet filed suit but who have claims over which this Court has jurisdiction.

III

CONTINUING SETTLEMENT NEGOTIATIONS

The parties are engaged in settlement discussions in a number of other claims which could result in further settlements of claims of plaintiffs with suits pending in this Court. The parties will continue to keep this Court updated on all further settlements that may be reached.
