MDL Docket No. 1:10-md-2197-DAK

HONORABLE DAVID A. KATZ

CASE MANAGEMENT ORDER NO. 24B
EXTENSION OF DEADLINES

Consistent with CMO 24A, for those Non-Revision Plaintiffs who have elected to continue their case, the deadline has been extended an additional thirty days, until April 30, 2015, for the completion of the initial discovery required under CMO 24, that being the Plaintiff Fact Sheet accompanied by all required document production, including medical authorizations, and the damage interrogatories which are Exhibit B to CMO 24.

In addition, the Parties stipulate to an extension of the deadline for the Non-Revision Election pursuant to CMO 24 until April 30, 2015. For anyone making an election pursuant to this extended deadline, the initial discovery shall be due ninety days (90) from the date the election form is submitted.

Accordingly, the Court modifies CMO 24, extending the deadline for the completion of initial discovery in Paragraph 8 at p. 4 of CMO 24 (Doc. No. 836) to April 30, 2015, for any Plaintiff having previously made an election. The deadline for the Non-Revision Election, Paragraph 1 at p. 2 is also extended until April 30, 2015, with initial discovery being due ninety days (90) from submission of the election form.

IT IS SO ORDERED.
