At the May case management conference, the Court will determine whether to set a briefing schedule on defendants' anticipated motions to dismiss the third amended complaint in *Medical Mutual v. AbbVie*, 14 C 8857 (Item V). Defendants' brief(s) may be up to 30 pages in the aggregate. Parties are to meet and confer regarding a schedule for completing personal jurisdiction-related discovery regarding the Besins defendants (Item IV) and regarding discovery relating to claims on Depo-Testosterone and Testop (Item III) and are to include proposals for both in the status report for the May case management conference.
