|---------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|

Pursuant to Case Management Order No. 5 (Dkt. No. 78), the parties hereby submit their Joint Status Report and Proposed Agenda in advance of the December 18, 2017 MDL Initial Status Conference.

**I. STATUS REPORT**

Since the last status conference, the parties have submitted and the Court has entered, orders pertaining to Electronically Stored Information (“ESI”) and the Privilege Log, as well as the parties’ proposed Case Management Order No. 5 (Order on November 8, 2017 Status Conference). Pursuant to CMO No. 5, the parties have continued to confer on a Direct Filing Order, Plaintiff Fact Sheet, and Plaintiff Fact Sheet Enabling Order. Although progress has been made on some of these issues, the parties have been unable to reach complete agreement on these matters and, pursuant to Case Management Order No. 5, submitted separate letters to the Court, setting forth our respective positions regarding those provisions still in dispute on December 13, 2017.

Additionally, the parties have continued to confer on 30(b)(6) depositions and discovery requests, as well as the Scheduling Order and Rule 26 Disclosures (see agenda items below). The specific issues the parties would like to raise with the Court are listed in the proposed Agenda.

At the time of this filing, approximately 370 potentially related actions with 380 plaintiffs are pending in federal court. The parties attach a list of these cases as **Exhibit A**.

Currently, approximately 127 potentially related state court actions with 127 plaintiffs are pending in the Delaware Superior Court, New Castle County, before Judge John A. Parkins, and one related state court action with 28 plaintiffs is pending in the Missouri Circuit Court, Twenty-Second Judicial Circuit (City of St. Louis) before Judge Michael K. Mullen. There is a single plaintiff appellate case pending before the Ninth Circuit Court of Appeals. (*Bekins v. AstraZeneca Pharmaceuticals LP, et al.*, No.16-02732 (S.D. Cal. Mar. 7, 2017), *appeal docketed*, No. 17-55461 (9th Cir. Apr. 5, 2017).

## **II. PROPOSED AGENDA FOR 12/18/17 STATUS CONFERENCE**

The Parties have met and conferred and propose the following Agenda:

- Resolution of Disputes Relating to the Plaintiff Fact Sheet and Case Management Order Governing the PFS Production;
- Status of scheduling for 30(b)(6) depositions;
- Resolution of Disputes Relating to the Proposed Direct Filing Order;
- Rule 26 Disclosures;
- Setting deadlines for submission of Scheduling Order
- Setting deadlines for Defendant Fact Sheet;
- Submission of Discovery disputes with AstraZeneca pertaining to search terms and document requests; and
- Scheduling of Science Day.
