**IN THE UNITED STATES DISTRICT COURT  
FOR THE DISTRICT OF ARIZONA**

IN RE: Bard IVC Filters Products Liability  
Litigation,

No. MDL 15-02641-PHX DGC  
**ORDER**

The Court will adopt the following procedures for jury selection in the Booker bellwether trial:

1. No later than January 16, 2018, the Clerk will mail a case-specific questionnaire to 200 jurors. A copy of the questionnaire is attached to this order. The questionnaire will instruct the prospective jurors to return it to the Court no later than February 13, 2018.

3. A disk will be prepared for counsel (one disk for each side) containing copies of the questionnaires and will be available for pickup at the jury office on February 20, 2018.

4. On February 23, 2018, the Court will provide the parties with a list of prospective jurors the Court proposes to excuse for hardship on the basis of their responses to the first question in the questionnaire.

5. At the final pretrial conference on March 2, 2018, counsel will be permitted to challenge the Court's excusal of any of the listed jurors for hardship. If counsel do not object to the Court's proposed excusal of a particular juror for hardship, that juror will be excused from further involvement in this case. After hearing counsel's objections to

1 hardship excusals, the Court will determine which of the challenged jurors should be  
2 excused for hardship and which should appear for voir dire. In addition, counsel will be  
3 permitted to make challenges for cause to jurors on the basis of information contained in  
4 their questionnaires. These challenges should be limited to jurors who clearly could not  
5 serve as a fair juror on the basis of their questionnaire answers. The Court will rule on  
6 these challenges at the final pretrial conference. All prospective jurors who returned  
7 questionnaires and who have not been excused for hardship or successfully challenged  
8 for cause will be candidates for voir dire.

9 6. At 9:00 a.m. on March 14, 2018, 60 prospective jurors will be called to  
10 Court to appear for voir dire. The Court will permit counsel to ask follow-up questions  
11 of individual jurors based on information contained in the juror questionnaires. Counsel  
12 should not venture into new subjects – they should limit their follow-up questions to the  
13 items covered in the questionnaire. Following voir dire, the Court will hear and rule on  
14 challenges for cause.

15 7. The Court will seat 9 jurors. Each side will have 3 pre-emptory strikes.

16 8. The Court anticipates that opening statements and evidence will begin on  
17 the afternoon of March 14, 2018.

18 Dated this 12th day of January, 2018.

### **BRIEF STATEMENT OF THE CASE**

This is a personal injury case against a medical product manufacturer.

The plaintiff, Sheri Booker, is a 48 year old woman who had a Bard G2 filter placed in her inferior vena cava (IVC), the vein that carries blood back to the heart. An IVC filter is intended to catch blood clots before they reach the heart or lungs. Defendants C.R. Bard, Inc. and Bard Peripheral Vascular designed, manufactured, and sold the G2 filter.

Ms. Booker alleges that the filter was defectively designed and that Defendants failed to warn about its risks. She alleges that she was injured by the filter, and she seeks to recover money from Defendants to compensate for her injuries and to punish Defendants for their allegedly wrongful conduct.

Defendants deny that their filter was defectively designed or that they failed to warn of its risks. Defendants contend that risks associated with Bard IVC filters are understood by the

medical community and are considered by doctors when deciding whether to use them. Defendants assert that they are not responsible for any injuries or damages suffered by Sheri Booker.

### **LENGTH AND SCHEDULE OF TRIAL**

The trial is expected to last **three weeks**, and will begin on **March 14, 2018**. During trial, the jury generally will be in court Tuesday through Friday, from 9:00 a.m. to 5:00 p.m. There will be breaks during the day, including a one-hour lunch break.
