McKesson Corporation and McKesson Medical-Surgical, Inc. (the “McKesson Defendants”) hereby oppose Plaintiffs’ Motion for Transfer of Actions Pursuant to 28 U.S.C. § 1407. The McKesson Defendants oppose consolidation of cases involving gadolinium-based contrast agents for the reasons stated in the opposition filed by the Bayer Defendants.

Should this Panel create an MDL proceeding over these objections, the McKesson Defendants defer to the Manufacturing Defendants’ arguments regarding choice of venue and take no separate position.
