Chief Judge M. Casey Rodgers
Magistrate Judge Gary Jones

This Document Relates to All Cases

ORDER

A number of the individual cases currently pending in this MDL, or in the process of being transferred to this MDL, originated in the California state courts. There are remand motions pending in some of these California cases, which the Court deferred ruling on pending the conclusion of global settlement discussions. The parties now request that they be allowed to submit consolidated (superseding) briefing across all California cases in which the remand issue arises. On consideration, this request is **GRANTED**. Accordingly, the remand motions currently pending in individual California cases will be **DENIED** as **MOOT**. As agreed by the parties, Plaintiffs' omnibus motion to remand is due by **September 17, 2018**, Defendants' opposition is due by **October 1, 2018**, and Plaintiffs' reply is due by **October 8, 2018**.

SO ORDERED, on this 7th day of September, 2018.

M. Casey Rodgers
