14 the conduct alleged herein.

## 15 **II. JURISDICTION AND VENUE**

16  
17 25. The first two claims alleged herein arise under the Americans with Disabilities  
18 Act (42 U.S.C. §§ 12131 et seq.), and Section 504 of the Rehabilitation Act of 1973 (29 U.S.C.  
19 §794 et seq.), such that the jurisdiction of this Court is invoked pursuant to 28 U.S.C. §§ 1331  
20 and 1343. Through the same actions and omissions that form the basis of Plaintiffs' federal  
21 claims, Defendants have also violated Plaintiffs' rights under state law, over which this Court  
22 has supplemental jurisdiction pursuant to 28 U.S.C. § 1367. This Court has jurisdiction over  
23 Plaintiffs' claims for declaratory and injunctive relief pursuant to 28 U.S.C. §§2201 and 2202  
24 and Rule 65 of the Federal Rules of Civil Procedure.

25  
26 26. This Court also has subject matter jurisdiction over this proposed class action  
27 under the Class Action Fairness Act of 2005 (28 U.S.C. § 1332(d)(2)), because (a) this is a class  
28

1 action, including claims asserted on behalf of more than one hundred (100) potential class  
2 members, (b) on information and belief, the aggregate amount in controversy exceeds  
3 \$5,000,000, exclusive of interest and cost, and (c) Bird Co. and Lime Co. are citizens of the State  
4 of Delaware, whereas, Named Plaintiffs and likely many more of the Proposed Class are citizens  
5 of the State of California.  
6

7 27. Venue over Plaintiffs' claims is proper in the Central District of California  
8 because the City Defendants reside in the Central District of California within the meaning of 28  
9 U.S.C. § 1391, and because the events, acts, and omissions giving rise to Plaintiffs' claims  
10 occurred in the Central District of California.  
11

### 12 **III. FACTUAL ALLEGATIONS**

13 28. This action arises by reason of a deliberate and systematic exploitation of the curb  
14 ramps, sidewalks, crosswalks, pedestrian crossings and other walkways (hereafter "Pedestrian  
15 Rights of Way") within the Cities of Culver City, Long Beach, Anaheim, Santa Ana, Irvine,  
16 Garden Grove and Orange (hereafter, collectively, the "Cities") by the Electric Scooter  
17 Defendants for their own corporate profit to the harm of some of the most vulnerable residents  
18 of the Cities, the disabled.  
19

20 29. The business model of the Electric Scooter Defendants is based on the  
21 unauthorized and illegal, private use of public property (i.e. Pedestrian Rights of Way) for their  
22 own business use.  
23

24 30. Bird Co. rents electric scooters ("Bird Scooters") to its customers ("Bird  
25 Customers") through a mobile application (the "Bird App"). Lime Co. rents electric scooters  
26 ("Lime Scooters", together with Bird Scooters, hereinafter, collectively, "Electric Scooters") to  
27 its customers ("Lime Customers", together with Bird Customers, hereinafter, collectively,  
28

1 “Electric Scooter Customers”) through a mobile application (the “Lime App”, together with the  
2 Bird App, hereinafter, collectively, “Electric Scooter Apps”).

3 31. Electric Scooters cause barriers in paths of travel when they are physically left on  
4 the ground. When Electric Scooter Customers they use the Electric Scooter Apps to locate the  
5 Electric Scooters. The Electric Scooter Apps find Electric Scooters which are abandoned  
6 wherever they can be left by the previous Electric Scooter Customer. These Electric Scooters are  
7 abandoned all across the Cities, on public property, and typically in designated Pedestrian Rights  
8 of Way.  
9

10 32. Electric Scooter Customers then drive Electric Scooters at speeds much faster  
11 than the speed of foot traffic, speeds often exceeding fifteen (15) miles per hour on and through  
12 Pedestrian Rights of Way.  
13

14 33. Once an Electric Scooter Customer has completed their ride they then simply  
15 abandon the Electric Scooter near their destination, typically on public property in a Pedestrian  
16 Right of Way. The Electric Scooters are sometimes parked upright. They are also left laying on  
17 their side, blocking paths of travel along the length of the scooter. Multiple Electric Scooters are  
18 also frequently abandoned together in groups.  
19

20 34. Independent contractors are engaged by the Electric Scooter Defendants to locate  
21 (through the Electric Scooter Apps) Electric Scooters with depleted batteries or other  
22 maintenance needs which have been abandoned in Pedestrian Rights of Way across the Cities.  
23 These independent contractors, then recharge the batteries of the Electric Scooters and without  
24 supervision or any oversight whatsoever distribute Electric Scooters back on the Pedestrian  
25 Rights of Way for further use by Electric Scooter Customers. These personnel are not employees  
26 of the Electric Scooter Defendants, but rather independent contractors.  
27  
28

1           35.     Electric Scooters cause barriers in paths of travel when they are operated. Electric  
2 Scooters are operated on Pedestrians Rights of Way. The Electric Scooters are wheeled and  
3 motor powered, propelling them at speeds around fifteen (15) miles per hour. Operators of the  
4 Electric Scooters are not required by Defendants to have any training. The combination of high  
5 relative speeds, compared to pedestrians, and lack of restrictions regarding the operator, creates  
6 hazardous conditions which causes Named Plaintiffs, and likely others in the Proposed Class  
7 difficulty, humiliation and frustration. Named Plaintiffs do not want to be hit or run over by one  
8 of the Electric Scooters.  
9

10           36.     Electric Scooter Defendants also deter Plaintiffs from using the Pedestrian Rights  
11 of Way. The abandoned Electric Scooters are barriers blocking their way. The moving Electric  
12 Scooters also deny them equal access. As a result of the humiliation, difficulty and frustration of  
13 these Electric Scooters, Plaintiffs are discouraged from using Pedestrian Rights of Way.  
14

15           37.     The Electric Scooter Defendants mistakenly determined that they have figured  
16 out a solution (albeit illegal) to the costly problem of having retail locations where their Electric  
17 Scooters may be rented across the Cities or negotiating leases for docking stations throughout  
18 the Cities: to annex and misappropriate public property for their own corporate profit. Pedestrian  
19 Rights of Way, which are public property for the use and enjoyment of all of the public, have  
20 been converted by the Electric Scooter Defendants into their own private showroom, parking lot,  
21 service garage, testing ground and electric scooter highway.  
22

23           38.     The Electric Scooter Defendants' unlawful misappropriation of public property  
24 for their own corporate profit have made Bird Co. and Lime Co. multibillion-dollar corporations,  
25 demonstrating to the world that illegal conduct does in fact pay. Rather than seek permission  
26 through proper channels, the Electric Scooter Defendants (much like many upstart "disruptive"  
27  
28

1 businesses) break the law, then ask for forgiveness after millions of people have been denied  
2 access to public accommodations or worse yet, injured by their unlawful conduct.

3 39. The Electric Scooter Defendants' meteoric rise, through exploitation of public  
4 property for corporate profit, comes at the injury, suffering, discomfort, discrimination,  
5 humiliation, anxiety, severe detriment and prejudice of the rights of the tens of thousands of  
6 disabled persons with mobility and/or visual impairments and other disabilities who are residents  
7 and visitors of the Cities.  
8

9 40. In reaping the windfall benefits of the Electric Scooter Defendants' unlawful  
10 business model, Electric Scooter Customers unlawfully drive their Electric Scooters in  
11 Pedestrian Rights of Way and then abandon the Electric Scooters in Pedestrian Rights of Way  
12 creating barriers to residents and visitors of the Cities with disabilities.  
13

14 41. The City Defendants are responsible for maintaining the Pedestrian Rights of  
15 Way, which constitute an essential government program, service, and activity for residents and  
16 visitors of the Cities.  
17

18 42. The City Defendants are responsible for providing public transportation for the  
19 residents and visitors to the Cities, which constitute an essential government program, service  
20 and activity for residents and visitors of the Cities.  
21

22 43. The City Defendants have failed to provide adequate public transportation giving  
23 rise to unlawful private "solutions" like the Electric Scooter Defendants which exploit public  
24 property for corporate profit to the widespread detriment of disabled residents and visitors of the  
25 Cities.  
26

27 44. The City Defendants have further failed to adopt, implement or enforce  
28 ordinances or other requirements necessary to ensure that the Pedestrian Rights of Way are kept

1 free of the Electric Scooter obstructions which have plagued the Pedestrian Rights of Way,  
2 resulting in barriers to access.

3 45. The Electric Scooter Defendants and the City Defendants have a mutually  
4 beneficial, symbiotic relationship. The Electric Scooter Defendants purport to solve (albeit  
5 unlawfully) a public transportation problem which is the responsibility of the City Defendants,  
6 and the City Defendants in turn fail and refuse to enforce the law and protect the most vulnerable,  
7 disabled residents and visitors to the Cities.  
8

9 46. The Electric Scooter Defendants' obvious and deliberate exploitation of the rights  
10 of disabled persons, together with the City Defendants' deliberate indifference and failure to  
11 adopt, implement or enforce ordinances or other requirements necessary to ensure that the  
12 Pedestrian Rights of Way are kept free of the Electric Scooter obstructions have resulted in  
13 discrimination against persons with disabilities in the form of denial of access to the Pedestrian  
14 Rights of Way. As a result of this, the Pedestrian Rights of Way are not readily accessible to and  
15 usable by persons with mobility disabilities due to the pervasive and ever-growing presence of  
16 Electric Scooters that are physical access barriers along the path of travel in the Pedestrian Rights  
17 of Way.  
18

19 47. As a direct result, Named Plaintiffs and other persons with mobility impairment,  
20 visual impairment or other disabilities must choose between remaining segregated from  
21 significant daily activities, including visiting public facilities, places of public accommodation,  
22 friends and family, and thereby remaining safe, or risk injury or death by traveling on or around  
23 inaccessible Pedestrian Rights of Way. The lack of access to the Cities' systems of Pedestrian  
24 Rights of Way deprives people with mobility or visual impairments of their independence, and  
25 essentially relegates them to second-class citizens.  
26  
27  
28

1           48.     On numerous occasions in 2018 Named Plaintiffs encountered Electric Scooters  
2 parked on and blocking Pedestrian Rights of Way or being driven on Pedestrian Rights of Way  
3 in the Cities, denying them full and equal access to the Pedestrian Rights of Way and causing  
4 them difficulty, frustration and embarrassment, and placing them in danger of injury or death.  
5 Named Plaintiffs continue to be deterred from leaving their homes, since the invasion of these  
6 Electric Scooters on the streets of the Cities.  
7

8           49.     Accessibility of the Pedestrian Rights of Way goes to the heart of the purpose of  
9 the ADA and other disabilities rights law, including integration and accessibility. The Electric  
10 Scooter Defendants' exploitation of the Pedestrian Rights of Way and the City Defendants'  
11 failure to adopt, implement or enforce ordinances or other requirements necessary to ensure that  
12 the Pedestrian Rights of Way are kept free of the Electric Scooter obstructions render the  
13 Pedestrian Rights of Way not accessible to persons with mobility impairment, visual impairment  
14 or other disabilities in violation of multiple federal and state disability rights laws. This lawsuit  
15 seeks to force Defendants to, among other things, comply with these laws and provide fair and  
16 equal access to Pedestrian Rights of Way for all residents and visitors of the Cities.  
17  
18

19           50.     Plaintiffs thus bring this action to, among other things, remedy violations of Title  
20 II of the ADA, 42 U.S.C. §12131, et seq., and its accompanying regulations, the Rehabilitation  
21 Act and its accompanying regulations, as well as analogous state statutes including California  
22 Government Code §11135, California Civil Code § 54, et seq., California Government Code §  
23 4450, California Business and Professions Code § 17200 *et seq.* and common law rights of  
24 Plaintiffs. Plaintiffs seek declaratory and injunctive relief pursuant to the above, as well as an  
25 award of attorneys' fees and costs applicable under applicable law. Plaintiffs also seek damages  
26 against the Electric Scooter Defendants.  
27  
28

**IV. CLASS ACTION ALLEGATIONS**

51. Named Plaintiffs bring this action individually, and on behalf of all persons with mobility or visual impairment or other disabilities who have been denied access to Pedestrian Rights of Way in the City because of their disabilities as a class action under Rule 23 of the Federal Rule of Civil Procedure.

52. Each member of the Proposed Class is a “qualified person with a disability” and/or a person with a “disability” pursuant to 42 U.S.C. §12131(2), Section 504 of the Rehabilitation Act, and/or applicable California law. The persons in the Proposed Class are so numerous that the joinder of all such persons is impracticable and that the disposition of their claims in a class action rather than in individual actions will benefit the parties and the Court. The Proposed Class consists of tens of thousands of persons with mobility disabilities, visual impairment and other disabilities.

53. Named Plaintiffs are informed, believe and thereon allege that the Defendants’ policies and procedures violate the ADA and the Rehabilitation Act and analogous state statutes and common law with regard to Pedestrian Rights of Way and disability access.

54. Named Plaintiffs are informed, believe, and thereon allege that Defendants have not adopted and do not enforce appropriate policies and procedures to ensure that Defendants are in compliance with these statutes to ensure nondiscrimination against persons with disabilities and equal access to programs, services and activities for persons with disabilities.

55. The violations of the ADA, the Rehabilitation Act and related federal and California State statutes set forth in detail have injured all members of the Proposed Class and violated their rights.

1           56. Defendants acted or refused to act on grounds generally applicable to the  
2 Proposed Class, thereby making appropriate final injunctive or declaratory relief with respect to  
3 the class as a whole appropriate.  
4

5           57. The claims of the Named Plaintiffs are typical of those of the Proposed Class in  
6 that they arise from the same course of conduct engaged in by Defendants. The relief sought  
7 herein will benefit all class members alike.

8           58. Named Plaintiffs will fairly and adequately represent the interests of the class.  
9 They have no interests adverse to the interests of other members of the class and have retained  
10 counsel who are competent and experienced in litigating complex class actions, including  
11 disability rights cases.  
12

13           59. The requirements of Rule 23 of the Federal Rules of Civil Procedure are met with  
14 regard to the Proposed Class in that:

15               a. The class is so numerous that it would be impractical to bring all class  
16 members before the Court;  
17

18               b. There are questions of law and fact which are common to the class;

19               c. The Named Plaintiffs' claims are typical of the claims of the class;

20               d. The Named Plaintiffs will fairly and adequately represent common class  
21 interests and is represented by counsel who are experienced in class actions and the disability  
22 rights issues in this case;  
23

24               e. Defendants have acted or refused to act on grounds generally applicable  
25 to the class; and

26               f. The questions of law and fact which are common to the class predominate  
27 over individual questions.  
28

1           60.     The common questions of law and fact, shared by all class members, include:

2                 a.     Whether the City Defendants are violating Title II of the ADA, 42 U.S.C.  
3     § 12131 et seq., by depriving persons with disabilities access to programs, services and activities  
4     of the Cities, and otherwise discriminating against persons with disabilities, as set forth above.  
5

6                 b.     Whether the City Defendants are violating Section 504 of the  
7     Rehabilitation Act, 29 U.S.C. § 794 et seq., by depriving persons with disabilities access to  
8     programs, services and activities of the Cities, and otherwise discriminating against persons with  
9     disabilities, as set forth above.  
10

11                c.     Whether the Defendants are violating California Government Code  
12     Section 11135(a), which prohibits denial of benefits to persons with disabilities of any program  
13     or activity that is funded directly by the state or receives any financial assistance from the state.  
14

15                d.     Whether the Defendants are violating California Civil Code §54 et seq.,  
16     by depriving persons with disabilities to full and equal access.

17                e.     Whether the Defendants are violating California Government Code §4450  
18     et seq., by depriving persons with disabilities to full and equal access.

19                f.     Whether the Electric Scooter Defendants unlawfully created a public  
20     nuisance causing harm to Plaintiffs.

21                g.     Whether the Electric Scooter Defendants unlawfully trespassed on  
22     Plaintiffs' property causing harm to Plaintiffs.  
23

24                h.     Whether the Electric Scooter Defendants are violating § 17200 of the  
25     California Business and Professions Code by engaging in unfair business practices or acts  
26     causing harm to Plaintiffs.  
27  
28

1 i. Whether the Electric Scooter Defendants were unjustly enriched at the  
2 expense of the Plaintiffs.

3 61. Plaintiffs contemplate the eventual issuance of notice to the proposed class  
4 members that would set forth the subject and nature of the instant actions. To the extent that any  
5 further notices may be required, Plaintiffs contemplate the use of additional media and/or  
6 mailings.

## 8 **V. FIRST CAUSE OF ACTION**

### 9 **The Americans with Disabilities Act – Title II**

#### 10 **(Against the City Defendants)**

11  
12 62. Name Plaintiff incorporates by reference each and every allegation contained in  
13 the foregoing paragraphs.

14 63. Congress enacted the ADA upon finding, among other things, that “society has  
15 tended to isolate and segregate individuals with disabilities” and that such forms of  
16 discrimination continue to be a “serious and pervasive social problem.” 42 U.S.C. § 12101 (a)(2).  
17

18 64. In response to these findings, Congress explicitly stated that the purpose of the  
19 ADA is to provide “a clear and comprehensive national mandate for the elimination of  
20 discrimination against individuals with disabilities” and “clear, strong, consistent, enforceable  
21 standards addressing discrimination against individuals with disabilities.” 42 U.S.C. §12101(b)  
22 (1)-(2).  
23

24 65. Title II of the ADA provides in relevant part: “[N]o qualified individual with a  
25 disability shall, by reason of such disability, be excluded from participation in or be denied the  
26 benefits of the services, programs, or activities of a public entity, or be subjected to  
27 discrimination by any such entity.” 42 U.S.C. § 12132.  
28

1           66. At all times relevant to this action, each of the City Defendants was a “public  
2 entity” within the meaning of Title II of the ADA and provided and provides a program, service  
3 or activity to the general public.

4           67. At all times relevant to this action, Plaintiffs were qualified individuals with  
5 disabilities within the meaning of Title II of the ADA and met the essential eligibility  
6 requirements for the receipt of the services, programs, or activities of the City. 42 U.S.C §12131.

7           68. City Defendants are mandated to operate each program, service, or activity “so  
8 that, when, viewed in its entirety, it is readily accessible to and useable by individuals with  
9 disabilities.” 28 C.F.R. § 35.150; see also 28 C.F.R. §§ 35.149 & 35.151. Pedestrian Rights of  
10 Way themselves constitute a vital public program, service or activity under Title II of the ADA.  
11 28 C.F.R. § 35.104; Barden v. City of Sacramento, 292 F.3d 1073 (2002).

12           69. The regulations implementing Title II of the ADA provide that a public entity  
13 must maintain the features of all facilities required to be accessible by the ADA. 28 C.F.R. §  
14 35.133. Facilities required to be accessible include roads, walks and passageways. 28 C.F.R. §  
15 35.104.

16           70. Name Plaintiffs are informed, believe and thereon allege that the Pedestrian  
17 Rights of Way are not fully, equally and safely accessible to Plaintiffs when viewed in their  
18 entirety.

19           71. Named Plaintiffs are informed, believe and thereon allege that the Electric  
20 Scooter Defendants’ business model, policies and procedures rely on the unlawful parking and  
21 driving of Electric Scooters in Pedestrian Rights of Way.

22           72. Named Plaintiffs are informed, believe and thereon allege that the City  
23 Defendants violated and continue to violate the ADA by failing to adopt, implement or enforce  
24  
25  
26  
27  
28

ordinances or other requirements necessary to ensure that the Pedestrian Rights of Way are kept free of the Electric Scooter obstructions and thereby deny Plaintiffs the benefits of the Pedestrian Rights of Way.

73. Named Plaintiffs are informed, believe and thereon allege that the City Defendants failed and continue to fail to adopt, implement or enforce ordinances or other requirements necessary to ensure that the Pedestrian Rights of Way are kept free of the Electric Scooter obstructions.

74. Named Plaintiffs are informed, believe and thereon allege that the City Defendants and their agents and employees have and continue to violate the ADA by failing to timely respond to and remedy complaints about said barriers through their policies and practices with regard the Pedestrian Rights of Way and disability access.

75. Named Plaintiffs are informed, believe and thereon allege that the City Defendants committed the acts and omissions alleged herein with intent and/or reckless disregard of Plaintiffs' rights.

76. As a direct and proximate result of the aforementioned acts, Plaintiffs have suffered, and continue to suffer humiliation, hardship and anxiety, due to Defendants' failure to address accommodations, modifications, services and access required for Plaintiffs' disabilities.

77. Because the City Defendants' discriminatory conduct is ongoing, declaratory and injunctive relief are appropriate remedies.

78. Pursuant to 42 U.S.C. § 12133, Plaintiffs are entitled to declaratory and injunctive relief as well as reasonable attorneys' fees and costs incurred in bringing this action. Named Plaintiff also seeks an award of damages against the Electric Scooter Defendants.

**VI. SECOND CAUSE OF ACTION**

**Section 504 of the Rehabilitation Act**

**(Against the City Defendants)**

79. Plaintiffs incorporate by reference each and every allegation contained in the foregoing paragraphs.

80. Section 504 of the Rehabilitation Act of 1973 provides in relevant part: “[N]o otherwise qualified person with a disability...shall, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance...” 29 U.S.C. § 794.

81. Plaintiffs are otherwise qualified to participate in the services, programs, or activities that are provided to individuals in the Cities. See 29 U.S.C. § 794(b).

82. The City Defendants are direct recipients of federal financial assistance sufficient to invoke the coverage of Section 504 of the Rehabilitation Act, and have received such federal assistance at all times relevant to the claims asserted in this Complaint.

83. Named Plaintiffs are informed, believe and thereon alleges that the City Defendants and their agents and employees have and continue to violate the Rehabilitation Act and the regulations promulgated thereunder by excluding Plaintiffs from participation in, denying Plaintiffs the benefits of, and subjecting Plaintiffs based solely by reason of their disability to discrimination in the benefits and services of the Pedestrian Rights of Way and for the reasons set forth above.

84. Named Plaintiffs are informed, believe and thereon alleges that the City Defendants committed the acts and omissions alleged herein with intent and/or reckless disregard of Plaintiffs’ rights.

1           85. As a direct and proximate result of the aforementioned acts, Plaintiffs have  
2 suffered, and continue to suffer humiliation, hardship and anxiety, due to the City Defendants'  
3 failure to address accommodations, modifications, services and access required for Plaintiffs'  
4 disabilities.

5  
6           86. Because City Defendants' discriminatory conduct is ongoing, declaratory and  
7 injunctive relief are appropriate remedies.

8           87. Pursuant to 29 U.S.C. § 194(a), Plaintiffs are entitled to declaratory and injunctive  
9 relief as well as reasonable attorneys' fees and costs incurred in bringing this action.

10  
11                   **VII. THIRD CAUSE OF ACTION**

12                   **California Government Code § 4450 et seq.**

13                   **(Against the City Defendants)**

14           78. Plaintiffs incorporate by reference each and every allegation contained in the  
15 foregoing paragraphs.

16  
17           79. The Pedestrian Rights of Way are publicly funded and intended for use by the  
18 public within the meaning of California Government Code § 4450, et seq.

19           80. Named Plaintiffs are informed, believe and thereon allege that the City  
20 Defendants and their agents and employees have and continue to violate California Government  
21 Code § 4450 et seq. and regulations implemented pursuant thereto by operating the Pedestrian  
22 Rights of Way in violation of disability access requirements and for the reasons set forth above.  
23 The aforementioned acts and omissions of the City Defendants constitute denial of equal access  
24 to and use of the Pedestrian Rights of Way and caused Plaintiffs to suffer deprivation of their  
25 civil rights.  
26  
27  
28

1           81. As a direct and proximate result of the aforementioned acts, Plaintiffs have  
2 suffered, and continue to suffer, humiliation, hardship and anxiety, due to the City Defendants'  
3 failure to address accommodations, modifications, services and access required for Plaintiffs'  
4 disabilities.  
5

6           82. Because the City Defendants' discriminatory conduct is ongoing, declaratory and  
7 injunctive relief are appropriate remedies.

8           83. Plaintiffs are also entitled to reasonable attorneys' fees and costs in filing this  
9 action.  
10

11                           **VIII. FOURTH CAUSE OF ACTION**

12                                   **California Government Code § 11135**

13   **(Against All Defendants)**

14           84. Plaintiffs incorporate by reference each and every allegation contained in the  
15 foregoing paragraphs.  
16

17           85. Section 11135(a) of California Government Code provides in relevant part: "[N]o  
18 person in the State of California shall, on the basis of...disability, be unlawfully denied the  
19 benefits of, or be unlawfully subjected to discrimination under, any program or activity that is  
20 conducted, operated, or administered by the state or by any state agency, is funded directly by  
21 the state, or receives any financial assistance from the state."  
22

23           86. The City Defendants are funded directly by the State of California and receive  
24 financial assistance from the State of California sufficient to invoke the coverage of Government  
25 Code Sections 11135, et seq. The City Defendants were the recipients of such funding and  
26 financial assistance at all times relevant to the claims asserted in this Complaint.  
27  
28

1           87. Section 11150 of the California Code of Regulations defines a “program or  
2 activity” as “any project, action or procedure undertaken directly by recipients of State support  
3 or indirectly by recipients through others by contracts, *arrangements* or agreements, with respect  
4 to the public generally or with respect to any private or public entity.” [Emphasis added]

5  
6           88. Section 11150 of the California Code of Regulations defines “[s]tate financial  
7 assistance” as “any grant, entitlement, loan, cooperative agreement, contract or *any other*  
8 *arrangement* by which a State agency provides or otherwise makes available aid to recipients in  
9 the form of... (3) real or personal property *or any interest in or use of such property*, including:  
10 (A) transfers or leases of property for *less than fair market value or for reduced*  
11 *consideration...*” [Emphasis added]

12  
13           89. Section 11150 of the California Code of Regulations defines “[r]ecipient” as any  
14 “person, who...receives State support...in an amount in excess of \$10,000 in the aggregate per  
15 State fiscal year...by grant, contract *or otherwise, directly or through another recipient...*”  
16 [Emphasis added]

17  
18           90. The City Defendants are direct recipients of state financial assistance. The  
19 Electric Scooter Defendants are recipients of state financial assistance through another recipient,  
20 the City Defendants.

21           91. Plaintiffs are informed, believe and thereon allege that Defendants and their  
22 agents and employees have and continue to violate California Government Code § 11135 by  
23 unlawfully denying Plaintiffs the benefits of, and unlawfully subjecting Plaintiffs to  
24 discrimination under the City Defendants’ programs and activities and for the reasons set forth  
25 above.  
26  
27  
28

1           92. Defendants have refused and failed to provide Plaintiffs with full and equal access  
2 to their facilities, programs, services and activities as required by California Government Code  
3 Sections 11135, et seq. through their policies and practices with regard to the Pedestrian Rights  
4 of Way and disability access.  
5

6           93. As a direct and proximate result of the aforementioned acts, Plaintiffs have  
7 suffered, and continue to suffer humiliation, hardship and anxiety, due to Defendants' failure to  
8 address accommodations, modifications, services and access required for Plaintiffs' disabilities.  
9

10           94. Because Defendants' discriminatory conduct is ongoing, declaratory and  
11 injunctive relief are appropriate remedies.

12           95. Plaintiffs are also entitled to reasonable attorneys' fees and costs in filing this  
13 action.  
14

15                           **IX. FIFTH CAUSE OF ACTION**

16                                   **California Civil Code § 54 et seq.**

17   **(Against All Defendants)**

18           96. Plaintiffs incorporate by reference each and every allegation contained in the  
19 foregoing paragraphs.

20           97. California Civil Code § 54(a) provides that "[i]ndividuals with disabilities or  
21 medical conditions have the same right as the general public to the full and free use of  
22 ...sidewalks, walkways... and other public places."  
23

24           98. Plaintiffs are persons with disabilities within the meaning of California Civil  
25 Code § 54(b)(1) and California Government Code § 12926.

26           99. California Civil Code Section 54.3 provides that "[a]ny person or persons, firm  
27 or corporation who denies or interferes with admittance to or enjoyment of the public facilities  
28

1 as specified in Sections 54 and 54.1 or otherwise interferes with the rights of an individual with  
2 a disability under Sections 54, 54.1 and 54.2 is liable for each offense for the actual damages and  
3 any amount as may be determined by a jury, or the court sitting without a jury, up to a maximum  
4 of three times the amount of actual damages but in no case less than one thousand dollars  
5 (\$1,000), and attorney's fees as may be determined by the court in addition thereto, suffered by  
6 any person denied any of the rights provided in Sections 54, 54.1, and 54.2."

8 100. Defendants have deprived Plaintiffs of their right to have full and free use of  
9 sidewalks, walkways and other public places, and therefore violate California Civil Code § 54.

10 101. For all the reasons outlined above, Defendants violated the rights of Plaintiffs  
11 under California Civil Code § 54.

12 102. As a direct and proximate result of the aforementioned acts, Plaintiffs have  
13 suffered, and continue to suffer, humiliation, hardship and anxiety, due to Defendants' failure to  
14 address accommodations, modifications, services and access required for Plaintiffs' disabilities.

15 103. Because Defendants' discriminatory conduct is ongoing, declaratory and  
16 injunctive relief are appropriate remedies.

17 104. Plaintiffs are also entitled to reasonable attorneys' fees and costs in filing this  
18 action.

19 105. Name Plaintiff also seeks an award of damages against the Electric Scooter  
20 Defendants. Under California Civil Code § 54.3, the Electric Scooter Defendants are liable to  
21 Named Plaintiffs for their actual damages, and up to three (3) times their actual damages.

**X. SIXTH CAUSE OF ACTION**

**Public Nuisance**

**(Against All Defendants)**

106. Plaintiffs incorporate by reference each and every allegation contained in the foregoing paragraphs.

107. The Defendants through their policies and practices with regard to the Pedestrian Rights of Way and disability access have created a condition that is an obstruction to the free and safe use of the Pedestrian Rights of Way by persons with mobility impairment or visual impairment, so as to interfere with the comfortable enjoyment of the Pedestrian Rights of Way.

108. The Defendants through their policies and practices with regard to the Pedestrian Rights of Way and disability access have created a condition that unlawfully obstructed the free passage or use of the Pedestrian Rights of Way, in the customary manner.

109. The Defendants through their policies and practices with regard to the Pedestrian Rights of Way and disability access have created a condition that is a hazard because Plaintiffs risked injury and death by traveling on or around inaccessible Pedestrian Rights of Way.

110. Named Plaintiffs are informed, believe and thereon allege that the condition referred to above affected and continues to affect a substantial number of people at the same time, and that ordinary persons are reasonably annoyed or disturbed by the condition.

111. The seriousness of harm (including, among other things, creation of a hazardous condition causing disabled persons to risk serious injury and death) outweighs the social utility (business profits of two companies) of the Defendants' conduct.

112. The Defendants' conduct was a substantial factor in causing the Plaintiffs' harm.

1 113. Because Defendants' conduct is ongoing, declaratory and injunctive relief are  
2 appropriate remedies.

3 114. Plaintiffs are also entitled to reasonable attorneys' fees and costs in filing this  
4 action.  
5

6 115. Named Plaintiffs also seek an award of damages against the Electric Scooter  
7 Defendants.

## 8 **XI. SEVENTH CAUSE OF ACTION**

### 9 **Trespass**

#### 10 **(Against All Defendants)**

11  
12 116. Plaintiffs incorporate by reference each and every allegation contained in the  
13 foregoing paragraphs.

14 117. At all times relevant to this Complaint, Plaintiffs, as residents of the Cities and  
15 visitors to the Cities, owned, occupied or controlled, or had a right to own, occupy or control,  
16 the Pedestrian Rights of Way.  
17

18 118. Defendants intentionally caused Electric Scooters to enter the Pedestrian Rights  
19 of Way, without the permission of the Plaintiffs or beyond any permission given by Plaintiffs.

20 119. Defendants recklessly or negligently caused Electric Scooters to enter the  
21 Pedestrian Rights of Way, without the permission of the Plaintiffs or beyond any permission  
22 given by Plaintiffs.  
23

24 120. Plaintiffs have suffered, and continue to suffer, humiliation, hardship and anxiety,  
25 and the unauthorized entry Electric Scooters in the Pedestrian Rights of Way was a substantial  
26 factor in causing Plaintiffs' harm.  
27  
28

1 121. Because Defendants' conduct is ongoing, declaratory and injunctive relief are  
2 appropriate remedies.

3 122. Plaintiffs are also entitled to reasonable attorneys' fees and costs in filing this  
4 action.  
5

6 123. Named Plaintiffs also seek an award of damages against the Electric Scooter  
7 Defendants.

8 **XII. EIGHTH CAUSE OF ACTION**

9 **California Business and Professions Code § 17200 et seq.**

10 **(Against the Electric Scooter Defendants)**

11  
12 124. Plaintiffs incorporate by reference each and every allegation contained in the  
13 foregoing paragraphs.

14 125. Section 17200 of the California Business & Professions Code ("Unfair  
15 Competition Law" or "UCL") prohibits any "unlawful," "unfair" and "fraudulent" business  
16 practice.  
17

18 126. Section 17200 specifically prohibits any "***unlawful*** . . . business act or practice."  
19 [Emphasis added] Electric Scooter Defendants have violated §17200's prohibition against  
20 engaging in an unlawful act or practice by, *inter alia*, commandeering and exploiting Pedestrian  
21 Rights of Way for use by Electric Scooter Customers in violation of federal and California state  
22 laws and local ordinances.  
23

24 127. Electric Scooter Defendants' ongoing unlawful exploitation of Pedestrian Rights  
25 of Way violates, among other laws, California Government Code Section 11135 *et seq.*, and  
26 California Civil Code Section 54 *et seq.*, as discussed above. Plaintiffs reserve their right to  
27  
28

1 allege other violations of law which constitute other unlawful business acts or practices, as  
2 further investigation and discovery warrants. Such conduct is ongoing and continues to this date.

3 128. Section 17200 specifically prohibits any “*unfair* . . . business act or practice.”  
4 [Emphasis added] As described in the preceding paragraphs, Electric Scooter Defendants  
5 engaged in the unfair business practice of taking and exploiting Pedestrian Rights of Way for  
6 their own corporate profit to the detriment of the most vulnerable residents and visitors of the  
7 Cities, the disabled. They misappropriated something that belongs to everyone for their own  
8 corporate profit.  
9

10 129. Electric Scooter Defendants’ business practices, as detailed above, are unethical,  
11 oppressive and unscrupulous, and they violate fundamental policies of this State. Further, any  
12 justifications for Electric Scooter Defendants’ wrongful conduct are outweighed by the adverse  
13 effects of such conduct. Thus, Electric Scooter Defendants engaged in unfair business practices  
14 prohibited by California Business & Professions Code §17200 *et seq.*  
15

16 130. Electric Scooter Defendants’ conduct caused and continues to cause substantial  
17 injury to Named Plaintiffs and other members of the Proposed Class. Named Plaintiffs have  
18 suffered injury in fact and lost money as a result of Electric Scooter Defendants’ unfair conduct.  
19

20 131. Additionally, pursuant to California Business & Professions Code §17203,  
21 Named Plaintiffs seek an order requiring Electric Scooter Defendants to immediately cease such  
22 acts of unlawful, and unfair business practices.  
23

26 and relief against Defendants as Follows:
