Case No. 16-md-02741-VC

This document relates to:
ALL ACTIONS

**PRETRIAL ORDER NO. 150:
SCHEDULING ORDER FOR
REMAND WAVES 1 AND 2**

The Court will prepare the cases in the MDL for transfer back to their home districts in waves grouped by governing state law. The first two waves will each consist of the cases filed in one state selected by the plaintiffs and one state selected by Monsanto. For the first wave, those states are California (the plaintiffs' choice) and Nebraska (Monsanto's choice). For the second wave, those states are Illinois (the plaintiffs' choice) and North Carolina (Monsanto's choice).¹ Cases filed in other states that may be governed by the law of one of these four states will be adjudicated in a later wave, as will cases from these four states that have not yet been transferred to the MDL. The timeline and cases for the first two waves are listed below. The Court will issue a separate order discussing the timeline and procedure for severing multi-plaintiff cases.

¹ As noted in the timeline below, if there are any disputes over the governing state law for a particular case, the parties should file a joint letter brief explaining the dispute. Cases that are governed by the law of a state other than the state where they were filed will be moved to a later wave.
