A case management conference was held on June 8, 2021, in which the Court selected the third and fourth bellwether cases for trial. After the Court issued Case Management Order (“CMO”) No. 25 (ECF No. 318), which set forth the third bellwether selection, confirmed the fourth bellwether would be a defense pick, the parties requested permission to brief the selection of the third and fourth bellwether cases. During the February 2, 2021 case management conference, the Court permitted briefing. (ECF No. 477/) The issue has been thoroughly briefed. (ECF Nos. 483, 484, 492, 493.)

For the reasons set forth on the record during the June 8, 2021 conference, the Court selects *Stinson v. Davol, Inc.*, and *Miller v. Davol, Inc.*, as the third and fourth bellwether cases for trial, respectively. The bellwether selections and trial information are summarized below:
