ALL ACTIONS

THIS MATTER came before the Court based on the Court's order for a revised schedule for Wave 4 cases. Having reviewed the proposed schedule and finding good cause shown, the Court GRANTS the parties' proposed schedule for Wave 4 cases as detailed below and designates the following as part of Wave 4.

**Wave 4 Schedule:**

| Event                                                                                                                                                                                                                              | Date                                     |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------|
| Plaintiff Fact Sheets (including all relevant authorizations) due for any plaintiffs who have not yet provided them.                                                                                                               | 14 days from entry of this order         |
| Each plaintiff will provide any medical records in his/her possession and/or his/her counsel's possession to defense counsel.                                                                                                      | 14 days from entry of this order         |
| Deficiency letter(s) sent.                                                                                                                                                                                                         | 4 business days from receipt of PFS      |
| Deadline to cure Plaintiff Fact Sheet deficiencies. The parties may file a consolidated letter brief regarding any disputes about whether a deficiency exists.                                                                     | 7 days from receipt of deficiency letter |
| Close of fact discovery.                                                                                                                                                                                                           | 3/11/2022                                |
| Plaintiffs' expert reports due.                                                                                                                                                                                                    | 3/25/2022                                |
| The parties should file a letter brief identifying any disputes over the applicable state law for the wave 3 cases. For cases where that is undisputed, the parties should file a stipulation identifying the governing state law. | 4/1/2022                                 |
| Monsanto's expert reports due.                                                                                                                                                                                                     | 4/25/2022                                |
