This Document Relates to All Cases  
Identified in Exhibit A

Magistrate Judge Gary R. Jones

**CASE MANAGEMENT ORDER NO. 47**  
**(Wave Order #3)**

In furtherance of the effective and efficient case management of this litigation, the Court now enters Wave Order #3. This Order incorporates by reference the substance and procedures set forth in Wave Order #1, ECF No. 2304, and Wave Order #2, ECF No. 2787. The cases found in Exhibit A represent the third “wave” of cases.

**I. SCHEDULING DEADLINES**

1. **Records Production.** Within 21 days of this Order (by June 13, 2022), and to the extent not already produced, Plaintiffs must produce to Defendants, through MDL Centrality, any responsive VA, DoD, and/or medical records in Plaintiff’s position, custody, or control.
2. **Records Production for Non-Second 1% Plaintiffs.** For any wave Plaintiff who has not received a VA and DoD *Touhy* production from the government or was not part of the Court’s “Second 1%” selection of cases (*see* Exhibit A)

(hereinafter, “Non-Second 1% Plaintiffs”), within 45 days of this Order (by July 7, 2022), Plaintiffs must produce to Defendants, through MDL Centrality, copies of Plaintiffs’ relevant records accessible via the public online sources, MyHealthVet portal, the TRICARE Online Patient Portal, and MilConnect.<sup>1</sup>

3. **Active-Duty Plaintiffs.** Within 21 days of this Order (by June 13, 2022), active-duty service member Plaintiffs must request copies of their current DoD medical records by submitting a Form DD 2870 Authorization for Disclosure to their servicing military treatment facility’s records department. The completed Form DD 2870 should specify that records should be produced to BrownGreer. For these records, the review and redaction procedures outlined in the parties’ Joint Stipulation Regarding Service and Authorizations for Wave Cases, ECF No. 2468, will govern. Plaintiffs must notify Defendants within 24 days of this Order (by June 16, 2022) that these requests have been submitted.
4. **Authorizations.** Plaintiffs must provide fully executed blank authorizations for the release of medical (excluding mental health records unless plaintiff puts their mental health at issue, *see* Dkt. 1065, at 7 fn.2), employer, and educational records (unless there is no wage loss or loss of earning capacity claims) along

<sup>1</sup> For the specific websites and instructions on how to access the relevant records, please see the Government’s October 19, 2021 correspondence attached hereto as Exhibit B.

with their responses to Defendants' First Set of Requests for Production of documents ("RFPs") and Requests for Interrogatories ("ROGs"). The parties' Joint Stipulation Regarding Service and Authorizations for Wave Cases, ECF No. 2468, will otherwise govern, including the process for service of Plaintiff authorizations.

**5. Authorizations for Non-Second 1% Plaintiffs.** For Non-Second 1% Plaintiffs (*see* Exhibit A), to the extent the below authorizations have not previously been provided to Plaintiffs' Leadership, the VA or DoD<sup>2</sup>, at the time Plaintiffs provide the above-referenced authorizations, Plaintiffs must also provide to Defendants signed versions of: (i) Standard Form 180 for the release of DoD medical and personnel files (*see* Exhibit C) and (ii) VA Form 3288 for the release of VA disability claims files (*see* Exhibit D). Defendants' records vendor may use these authorizations to seek relevant records from the VA and DoD and the parties' Stipulation Regarding Service and Authorizations for Wave Cases, ECF No. 2468, will govern, including the opportunity for Plaintiffs to review and redact records prior to release to Defendants.

---

<sup>2</sup> To the extent that these authorizations have not been provided to Defendants, Plaintiffs' counsel must provide copies of the authorizations to Defendants. To the extent that any provided authorizations are not sufficient to allow Defendants' vendors to obtain the DoD and VA records, Plaintiffs must provide Defendants with new authorizations curing any issues preventing the collection of records. If Plaintiffs believe they have already received and produced to Defendants full copies of a Plaintiff's complete DoD medical file, DoD personnel file, and VA benefits claims files, Plaintiffs may notify Defendants of the MDL Centrality ID numbers for these productions to minimize any duplicative record collection.

6. **Discovery Requests.** Both sides must serve their RFPs, ROGs, and Requests for Admissions (“RFAs”) within 45 days of this Order (by July 7, 2022) through MDL Centrality. Responses to RFPs, ROGs, and RFAs are due within 30 days of receipt (by August 8, 2022).
7. **Initial Disclosures.** “Initial disclosures,” as defined by Fed. R. Civ. P. 26(a)(1), must be submitted by Plaintiffs through MDL Centrality at least 10 days prior to the respective Plaintiff’s deposition. Additionally, within 21 days of this Order (by June 13, 2022), Defendants must disclose through MDL Centrality any insurance agreement under which an insurance business may be liable to satisfy all or part of a possible judgment in the action or to indemnify or reimburse for payments made to satisfy the judgment. *See* Fed. R. Civ. P. 26(a)(1)(A)(iv). This includes any insurance agreement providing excess insurance coverage.
8. **Defense Medical Exam Reports.** Defense Medical Exam (“DME”) reports are due 14 days prior to a Plaintiff’s expert disclosure deadline (by September 27, 2022) or within 7 days of Defendants’ receiving the results of DME testing, whichever date is earlier. The parties must continue to use the BrownGreer scheduling platform for Wave 3 DMEs (hereinafter, “DME Scheduler”). At the time a DME appointment is confirmed via the DME Scheduler, a notice will be issued that identifies (i) the plaintiff, (ii) the DME provider, (iii) the

date, time, and location of the DME, and (iv) the tests to be performed. Unless otherwise stated, DMEs will be governed by Pretrial Order No. 56, ECF No. 1477, pursuant to agreement by the parties.

**9. Fact Deposition Deadlines.**

- a. Plaintiff depositions must be taken within 105 days of this Order (by September 6, 2022).
- b. Fact depositions must be taken within 130 days of this Order (by September 30, 2022).

**10. Fact discovery.** Fact discovery must be completed within 130 days of this Order (by September 30, 2022).

**11. Expert Disclosure and Deposition Deadlines.**

- a. Except as noted below or otherwise in this Order, the Stipulation Regarding Expert Discovery for Wave Cases, ECF No. 3072, governs for this wave.
- b. Plaintiff's expert disclosures must be served through MDL Centrality within 8 days following the close of fact discovery (by October 11, 2022); and
- c. Defendants' expert disclosures must be served through MDL Centrality 30 days after a Plaintiff's expert disclosures are due (by November 10, 2022).

- d. When serving an expert disclosure, the serving party must provide two potential dates for the expert's deposition. All dates for a Plaintiff's expert must fall after the deadline for the Plaintiff's rebuttal expert disclosure to the extent the expert serves a rebuttal report.
- e. A rebuttal expert disclosure must be served through MDL Centrality within 10 days of the deadline for Defendants' expert disclosure (by November 21, 2022).
- f. All expert depositions must be taken by January 10, 2023.

**12. Motions Deadlines.**

- a. *Daubert* motions and dispositive motions must be filed within 10 days of the close of expert discovery/depositions (by January 20, 2023).
- b. Responses to *Daubert* and dispositive motions must be filed within 19 days of the deadline for such motion being filed (by February 8, 2023). Replies are permitted only at the Court's request.
- c. Choice of Law motions, on a disputed issue, must be filed within 10 days of the close of expert discovery/depositions (by January 20, 2023).

- 13. Hearing Dates.** Hearing dates for *Daubert* motions, dispositive motions, and Choice of Law motions, if any, will be set at a future status conference.

14. **Deadlines.** To the extent one of the aforementioned deadlines falls on a Saturday, Sunday, or federal holiday, that deadline will be extended to the next subsequent weekday.

## **II. LIMITATIONS ON INTERROGATORIES, REQUESTS FOR ADMISSIONS, AND DEPOSITIONS**

1. **Depositions.** The following limitations apply:

- a. With respect to the number of permissible fact depositions, Case Management Order No. 39, ECF No. 2877, governs except as specifically set out below for this wave.<sup>3</sup> Parties must seek leave of Court prior to taking any additional depositions, including non-case specific corporate and/or government witness depositions, which are not contemplated by this Order.
- b. Depositions of fact witnesses will be limited to 3 hours total, with each side allocated 1.5 hours per deposition, with the exceptions noted below:
  - i. Defendants will have 3.5 hours for a Plaintiff's deposition. If Plaintiff's counsel asks questions during the deposition, it must be in addition to the 3.5 hours allocated to Defendants. Additionally, should Plaintiff's counsel ask questions during the

---

<sup>3</sup> There will be no depositions taken after the close of discovery.

deposition, Defendants will be permitted half of the time used by the Plaintiff's counsel to conduct any follow-up questions. Defendants are not required to reserve any time from the original 3.5 hours permitted for follow-up questioning.

- ii. For depositions of a Plaintiff's spouse/significant other, Defendants will have 2 hours per deposition and Plaintiff's counsel will have 1 hour per deposition.
- iii. Depositions of experts is governed by the parties' stipulation. ECF No. 3072.

- c. The noticing party is entitled to ask questions first. For dual-noticed depositions, the parties must alternate or otherwise agree on the order for questioning. A deposition only counts against a party's allotment if noticed by that party. The requirement of equal time, however, applies to all depositions regardless of which party notices the depositions (subject to the exceptions above in 1(b)).
- d. For all depositions, except a Plaintiff's deposition, there is a presumption that depositions are "fully remote" absent an agreement between the parties or order of the Court. The parties reserve the right to take a Plaintiff's deposition in person. For all other depositions, if a witness wants their counsel present in person for the deposition, the

defending party's counsel must notify the examining party's counsel within 7 days of the deposition.

2. **Written Discovery.** The following limitations apply:

- a. Both sides are limited to 10 RFAs and 10 RFPs per case.
- b. Both sides are limited to 15 ROGs per case; however, this number may consist of no more than 5 "unique" interrogatories and no more than 10 "standard" interrogatories that are common to all Plaintiffs.
- c. Insofar as multiple Plaintiffs utilize the same general causation experts, the parties are required to coordinate their depositions.
- d. The Court also encourages the coordination of depositions for specific causation experts to the extent there is overlap in the parties' use of specific causation experts for multiple Plaintiffs.
- e. The Court will consider modifications to the above limitations only on a showing of extraordinary cause.

3. **DMEs.** Defendants must provide Plaintiff's counsel with a list of the tests to be performed at a DME at the same time Defendants make the request for the DME. Pursuant to an agreement by the parties, the protocols outlined in Pretrial Order No. 56, ECF No. 1477, are adopted for the wave cases.

4. **Electrically Stored Information ("ESI").** The parties' ESI obligations will be governed by Fed. R. Civ. P. 34.

### III. MOTIONS PRACTICE

1. **Early Dispositive Motions.** If discovery reveals facts that could support a motion that would be dispositive of the *entirety* of a Plaintiff's claims (e.g., statute of limitations) or a Defendants' affirmative defense, a party may seek the Court's leave in the individual case to file an early dispositive motion on that issue. If leave is granted, the Court will set a briefing schedule at that time.
2. **Page Limitations.** Word limits for *Daubert* briefs for this wave are contained in the parties' Stipulation Regarding Expert Discovery for Wave Cases. ECF No. 3072. The page limitations provided in N.D. Fla. Loc. R. 7.1(F) apply to memoranda in support of all dispositive motions and oppositions. The Court may modify these limitations at a later date by separate order.
3. **Confidential Documents.** The Court modified sealing protocols, requiring the parties to seek leave of the Court prior to filing a motion, exhibit, or document under seal. ECF No. 2236. To the extent a motion, exhibit, or document contains limited Privacy Act information, the parties are ordered to redact that information and file the motion, exhibit, or document on the public docket. *See id.* In the event a party wishes to file motions, exhibits, or documents under seal, the party is directed to submit a consolidated motion to seal by December 16, 2022. Any response is due by January 10, 2023.

#### IV. VENUE

1. **Venue Recommendation.** Parties must meet and confer within 180 days of this Order (by November 21, 2022) concerning the appropriate venue for each of the cases. The parties must submit a joint venue recommendation to the Court within 200 days of this Order (by December 9, 2022). The parties' joint recommendation(s) must also identify the cases in which the recommended venue is in dispute. The Court may then request briefing concerning the venue for those cases in which the parties disagree. Each party reserves the right to object to the venue selected by its adversary or the Court.
2. **Lexecon Waiver.** To the extent the parties intend to waive venue in any case, they must meet and confer on the issue and notify the Court. *See Lexecon Inc. v. Milberg Weiss Bershad Hynes & Lerach*, 523 U.S. 26 (1998).

**DONE** and **ORDERED** on this 23rd day of May, 2022.

Re: *In re: 3M Combat Arms Earplug Products Liability Litigation*, No. 3:19-md-2885 (N.D. Fl.)

Dear counsel:

I write regarding Plaintiffs' requests in the above-referenced litigation for various government records, and to identify online resources that provide access to such records. In particular, on August 8, 2019, Plaintiffs submitted a *Touhy* request to the Department of Defense ("DoD") seeking various medical and personnel records pertaining to Plaintiffs. Since then, Plaintiffs have periodically provided government counsel with Privacy Act Orders authorizing DoD and related federal agencies to produce records maintained on various individuals that are responsive to the August 8, 2019 *Touhy* request and/or the related request dated June 28, 2019.<sup>1</sup>

---

<sup>1</sup> See Privacy Act Orders at ECF Nos. 499, 669, 712, 750, 787, 817, 829, 855, 862, 952, 957, 995, 1030, 1039, 1083, 1112, 1144, 1174, 1216, 1269, 1313, 1366, 1419, 1471, 1514, 1549, 1581, 1617, 1682, 1745, 1760, 1784, 1800, 1821, 1835, 1843, 1847, 1861, 1928, 2172.

The parties have also indicated their intention to seek records relating to large numbers of additional plaintiffs to be identified by the Court through a series of upcoming orders.

Under the Federal Rules of Civil Procedure, the scope of discovery is limited by, *inter alia*, “the parties’ relative access to relevant information[.]” Fed. R. Civ. P. 26(b)(1); *see also* Fed. R. Civ. P. 45(d)(1) (“A party or attorney responsible for issuing and serving a subpoena must take reasonable steps to avoid imposing undue burden or expense on a person subject to the subpoena.”). Many of the records sought by Plaintiffs are already available to them through the websites described herein. Utilizing these resources will allow Plaintiffs convenient access to their records while lessening the burden on the non-party federal agencies.

Accordingly, DoD will defer further action on the August 8, 2019 *Touhy* request (and the related requests associated with the Court’s Privacy Act Orders) until Plaintiffs’ counsel have (1) identified the Plaintiffs, if any, who are unable to access records through the sources described herein and (2) specified the records they could not access. Also, in any future requests to the Government for medical or personnel records, Plaintiffs should state in the request whether they have attempted to access the requested records through sources already available to them and whether they were able to obtain the records from those sources.

Please note that the sources described herein are intended for use by the servicemembers and Veterans themselves and should not be accessed by third parties. Plaintiffs must follow all applicable regulations and rules regarding access to government websites, including restrictions on the sharing of passwords.

### **Medical Records**

Many current and retired servicemembers may access their DoD medical records through the TRICARE Online Patient Portal (“TOL”) at [www.tricareonline.com](http://www.tricareonline.com).<sup>2</sup> TOL is DoD’s online patient-focused portal providing access to online health care information and services. Users may access the website using a premium (level 2) DoD self-service logon, DoD common access card, or Defense Finance Accounting Services myPay credentials.<sup>3</sup> Once the user has logged on, he or she may click “Health Record” to access online health records.

The VA also provides Veterans online access to their medical records through MyHealthVet at <https://www.myhealth.va.gov/mhv-portal-web/home>. There are two ways for Veterans to access the registration page at MyHealthVet: (1) select the green “Register Today Start Here” button, on the landing page, or (2) select the red “REGISTER” button in the member

---

<sup>2</sup> Medical records are available through TOL for many current servicemembers as well as certain servicemembers who separated or retired from the Army, Navy, Air Force, or Marine Corps after December 31, 2013, or from the Coast Guard after September 30, 2014.

<sup>3</sup> If a user does not have a premium DoD self-service logon, he or she may register for one at <https://www.dmdc.osd.mil/identitymanagement>. For assistance with a DoD logon, please contact the Defense Manpower Data Center Support Office at (800) 538-9552 or (866) 363-2883 for the hearing impaired.

login box on the right side of the screen.<sup>4</sup> A premium MyHealthVet account (an account that has been identity proofed) is required to access certain medical information on the site. A premium account can be obtained in person at a VA facility or online.<sup>5</sup> Once the Veteran has logged into the MyHealthVet site, he or she can access his or her VA healthcare records using the site's "Blue Button" feature. After logging in, the Veteran should look for the Blue Button icon on the MyHealthVet homepage. Blue Button gives Veterans access to their Veterans Health Administration electronic medical records and the ability to download, save, and/or print the records. The following records are available to Veterans through Blue Button:

- VA Admissions and Discharges
- VA Allergies and Adverse Reactions
- VA Appointments
- VA Labs and Tests
- VA Immunizations
- VA Health Summary
- VA Demographics
- VA Electrocardiogram
- VA Chemistry/Hematology
- VA Microbiology
- VA Notes

### **Personnel Records**

DoD also makes certain personnel documents available to current and/or former servicemembers through various online resources. Many current or former servicemembers may access their personnel records through MilConnect<sup>7</sup> using a DoD logon, DoD common access

card, or Defense Finance Accounting Services myPay credentials.<sup>8</sup> The user may request a copy of his or her Official Military Personnel File (“OMPF”) using the Defense Personnel Records Information Retrieval System (“DPRIS”) in MilConnect. Once logged into the DPRIS system, users should select “Correspondence/Documentation,” and then select “Defense Personnel Records Information.” From that link, the user can select a copy of his or her OMPF under the “Request Personnel File” tab. Users may also view their Military Service History (“MSH”) (including history of military schools attended, military courses completed and military occupations held) and request a Verification of Military Experience and Training (“VMET”) document on the DoDTAP page in MilConnect.<sup>9</sup>

In addition to MilConnect, there are various websites specific to particular branches of the military that host personnel records. In some cases, these websites may contain more current information than available through MilConnect. Active duty Navy servicemembers and Marines can access their OMPF using their common access card at <https://BOL.Navy.mil> (or via <https://mynavyhr.navy.mil>) and <https://sso.tfs.usmc.mil/sso/LoginRequest.do>, respectively.

Active duty members of the Air Force can obtain personnel records, including Enlisted Performance Reports and Officer Performance Reports, through the Air Force Portal<sup>10</sup> by using a common access card or username and password.

Active duty and reserve Army servicemembers can obtain personnel records from the Personnel Electronic Records Management System (“iPERMS”) using their common access card.<sup>11</sup> Another option is to use the U.S. Army Human Resources Command’s My Record Portal, which is accessible to both active and retired servicemembers. From the homepage,<sup>12</sup> the user should click the “Self Service” button under “Services,” then click on the appropriate button (“My Officer Record Brief,” “My eMILPO,” etc.), and enter his or her login and password or use a common access card to view the desired personnel record.

Sincerely,

/s/

Josh Kolsky

**INSTRUCTION AND INFORMATION SHEET FOR SF 180, REQUEST PERTAINING TO MILITARY RECORDS**

**1. General Information.** The Standard Form 180, Request Pertaining to Military Records (SF 180) is used to request information from military records. Certain identifying information is necessary to determine the location of an individual's record of military service. Please try to answer each item on the SF180. If you do not have and cannot obtain the information for an item, show "NA," meaning the information is "not available". Include as much of the requested information as you can. Incomplete information may delay response time. To determine where to mail this request see Page 2 of the SF 180 for record locations and facility addresses. Medical information may be withheld from a patient if determined that the information would be detrimental to the patient's physical or mental health or would likely cause the patient to harm himself or someone else. Online requests may be submitted to the National Personnel Records Center (NPRC) by a veteran or deceased veteran's next-of-kin using eVetRecs at <https://www.archives.gov/veterans/military-service-records/>.

**2. Personnel Records/Military Human Resource Records/Official Military Personnel File (OMPF) and Medical Records/Service Treatment Records (STR).** Personnel records of military members who were discharged, retired, or died in service **LESS THAN 62 YEARS AGO** and medical records are in the legal custody of the military service department and are administered in accordance with rules issued by the Department of Defense and the Department of Homeland Security (DHS, Coast Guard). STRs of persons on active duty are generally kept at the local servicing clinic. After the last day of active duty, STRs should be requested from the appropriate address on page 2 of the SF 180 (See item 3, Archival Records, if the military member was discharged, retired or died in service more than 62 years ago).

a. Release of information: Release of information is subject to restrictions imposed by the military services consistent with Department of Defense regulations, the provisions of the Freedom of Information Act (FOIA) and the Privacy Act of 1974. The service member (either past or present) or the member's authorized legal recipient has access to almost any information contained in that member's own record. The authorization signature of the service member or the member's authorized legal recipient is needed in Section III of the SF 180. Others requesting information from military personnel records and/or STRs must have the release authorization in Section III of the SF 180 signed by the member or authorized legal recipient. If the appropriate signature cannot be obtained, only limited types of information can be provided (DoD 6025.18-R C8). If the former member is deceased, the surviving next-of-kin (NOK) may be entitled to greater access to a deceased veteran's records than a member of the general public (DoD 6025.18-R C6.2.1.2). The NOK may be any of the following: unmarried/surviving spouse, father, mother, son, daughter, sister, or brother. Requesters **MUST provide proof of death such as the DD Form 1300, Casualty Report, a copy of a death certificate, newspaper article (obituary) or death notice, coroner's report of death, funeral director's signed statement of death, or verdict of coroner's jury.**

b. Fees for records: There is no charge for most services provided to service members or next-of-kin of deceased veterans. A nominal fee is charged for certain types of service. In most instances, service fees cannot be determined in advance. If your request involves a service fee, you will receive an invoice with your records.

**3. Archival Records.** Personnel records of military members who were discharged, retired, or died in service **62 OR MORE YEARS AGO** have been transferred to the legal custody of NARA and are referred to as "archival records".

a. Release of Information: Archival records are open to the public. The Privacy Act of 1974 does not apply to archival records, therefore, written authorization from the veteran or next-of-kin is not required. In order to protect the privacy of the veteran, his/her family, and third parties named in the records, the personal privacy exemption of the Freedom of Information Act (5 U.S.C. 552 (b)(6)) may still apply and may preclude the release of some information.

b. Fees for Archival Records: Access to archival records are granted by offering copies of the records for a fee (44 U.S.C. 2116 (c)). If a fee applies to the copies of documents in the requested record, you will receive an invoice. Copies will be sent after payment is made. For more information see <https://www.archives.gov/st-louis/archival-programs/military-personnel-archival/ompf-archival-requests.html>.

**4. Where reply may be sent.** The reply may be sent to the service member or any other address designated by the service member or other authorized requester. If the designated address is NOT registered to the addressee by the U.S. Postal Service (USPS), provide BOTH the addressee's name AND "in care of" (c/o) the name of the person to whom the address is registered on the NAME line in Section III, item 3, on page 1 of the SF 180. The COMPLETE address must be provided, INCLUDING any apartment/suite/unit/lot/space/etc. number. NOTE: If requester desires to send his/her record to a third party, he/she must fill out a DD Form 2870 authorizing the releasing agency to release the record and the timeframe of the authorization. The form may be downloaded using most commercial web search tools by entering "DD Form 2870" as a search term.

**5. Definitions and abbreviations.** DISCHARGED -- the individual has no current military status; SERVICE TREATMENT RECORD (STR) -- The chronology of medical, mental health, and dental care received by service members during the course of their military career (does not include records of treatment while hospitalized); TDRL -- Temporary Disability Retired List.

**6. Service completed before World War I.** National Archives Trust Fund (NATF) forms must be used to request these records. Obtain the forms by e-mail from [inquire@nara.gov](mailto:inquire@nara.gov) or write to the Code 6 address on page 2 of the SF 180.

**PRIVACY ACT OF 1974 COMPLIANCE INFORMATION**

The following information is provided in accordance with 5 U.S.C. 552a(e)(3) and applies to this form. Authority for collection of the information is 44 U.S.C. 2907, 3101, and 3103, and Public Law 104-134 (April 26, 1996), as amended in title 31, section 7701. Disclosure of the information is voluntary. If the requested information is not provided, it may delay servicing your inquiry because the facility servicing the service member's record may not have all of the information needed to locate it. The purpose of the information on this form is to assist the facility servicing the records (see the address list) in locating the correct military service record(s) or information to answer your inquiry. This form is then retained as a record of disclosure. The form may also be disclosed to Department of Defense components, the Department of Veterans Affairs, the Department of Homeland Security (DHS, U.S. Coast Guard), or the National Archives and Records Administration when the original custodian of the military health and personnel records transfers all or part of those records to that agency. If the service member was a member of the National Guard, the form may also be disclosed to the Adjutant General of the appropriate state, District of Columbia, or Puerto Rico, where he or she served.

**PAPERWORK REDUCTION ACT PUBLIC BURDEN STATEMENT**

Public burden reporting for this collection of information is estimated to be five minutes per request, including time for reviewing instructions and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of the collection of information, including suggestions for reducing this burden, to National Archives and Records Administration (MP), 8601 Adelphi Road, College Park, MD 20740-6001. **DO NOT SEND COMPLETED FORMS TO THIS ADDRESS. SEND COMPLETED FORMS TO THE APPROPRIATE ADDRESS LISTED ON PAGE 2 OF THE SF 180.**
