**UNITED STATES' UNOPPOSED MOTION TO EXTEND**  
**TIME TO FILE ANSWERS**

The United States of America respectfully moves for an extension of time, up to and including May 31, 2023, in which to respond to Plaintiffs' complaints in the above-captioned cases. At present, in the above-captioned cases, the United States faces responsive-pleading deadlines on various dates between now and the end of April 2023. In support of this motion, the United States submits the following:

1. On April 5, 2023, Judge James C. Dever III held a status conference to discuss various procedural topics, including the possibility of establishing a master docket and plaintiff leadership that may apply to all Camp Lejeune Justice Act cases filed in this Court. *See, e.g.*, Order Setting Hr'g, *Rees v. United States*, No. 4:23-cv-00022-D (E.D.N.C. Mar. 20, 2023) (Judge Dever), ECF No. 7 (setting hearing in all Camp Lejeune Justice Act cases pending before Judge Dever).
2. Given that the potential procedures discussed during the April 5, 2023, hearing may affect the filing of answers, the United States believes that it would be more efficient for the Court and all parties if an extension for filing individual answers is granted in case the anticipated Order on the hearing addresses the filing of individual answers.
3. This motion is not made for the purpose of delay, but instead, to await the Court's decision on any processes or procedures for Camp Lejeune Justice Act Cases.
4. For the same reasons given in this Motion, the Court has granted extensions on other Camp Lejeune Justice Act cases within the last week. *See, e.g.*, Text Order, *Whatley v. United States*, 7:23-cv-00075 (E.D.N.C. Apr. 12, 2023).

5. Counsel for Plaintiffs in each of the above-captioned cases have been contacted and have no objection to this motion.

Therefore, the United States requests an extension of time up to and including May 31, 2023, in which to respond to Plaintiffs' complaints.

Dated: April 14, 2023
