STIPULATED ORDER
(Regarding the Production of Complaint Files)

Defendants will produce the voluminous collection of hernia mesh complaint files without redaction for HIPPA, PII, or other private information, to expedite production.

Plaintiffs will not use any personal information or identities revealed by the unredacted complaint files except for good cause shown and with the approval of the Court or consent of Defendants.

A clawback will automatically go into effect if any privileged information contained within those files is identified by either party after production.

Nothing in this Order shall be construed to limit the rights of the parties at trial. All parties shall have an opportunity to raise any issues of redactions with the Court prior to the use at trial of any of the documents produced under this Order.

SO ORDERED, this 20th day of February, 2024
