PLC'S REPORT ON STATUS OF SCHEDULE A

Per ECF No. 183, the PLC submits this report regarding additional removals from Schedule A since its report on March 7, 2025. (ECF No. 202.)

Since the PLC's last report, counsel have indicated that 37 additional Schedule A Plaintiffs may be removed from Schedule A. A Revised Schedule A is attached as Exhibit 1.[1] Attached as Exhibit 2 is the list of the Schedule A Plaintiffs who, per their counsel's responses in Crosslink, have consented to removal from Schedule A (Consent to Remove List).

These updates bring the total number of Schedule A Plaintiffs from 8,611 to 8,575.

A total of 166 Census Forms (with authorizations, proof of use, and proof of injury) have been served to Defendants. There are 2,379 Census Forms in process in the Crosslink system.[2]

[1] The native Excel files of the Revised Schedule A and Consent to Remove List spreadsheets will be emailed to chambers and to defense counsel today.

[2] This does not account for firms that are completing their Census Forms via the bulk-upload option. Those are completed via spreadsheets at the individual firms and are not tracked in the Crosslink system until the bulk upload is delivered to Rubris. Firms with >30 claimants on Schedule A are eligible to complete by bulk upload.
